

Notice to Clients:

MDA is advising clients with staff initially fitted to the FT-N058 N95 mask that we no longer have stock available. There are no plans to bring in more on future purchase orders. Staff continuing to require N95 masks will have to be refitted or change to a different N95 mask.

MDA will be conducting its annual inventory on Friday, February 23. The Receiving Dock will be temporarily closed for that day.
